What Is Rite In The Rain?

Rite In The Rain is...

A patented recyclable paper that won't turn to mush when exposed to...
rain, sweat, oil, or mud.

Made in the USA since 1916

What To Write With...

Wet or Dry

Write with ordinary pencils, Rite In The Rain pens, & wax markers/crayons.

Dry

Permanent markers & ballpoint pens will work.

Not compatible

Most highlighters, gel pens, & water-based inks will bead off the sheet.

- Colors:
 - Yellow, Orange, Tan, Green, Black
 - Blue, Brown, Grey

Waterproof Pens, Pencils, Covers & Accessories

Rite in the Rain pens write on wet paper, upside down, & in freezing temperatures thanks to a pressurized ink cartridge & a special ink formula that won't leak, evaporate or blow up in your pocket.

- Rugged Clickers, Clippers, Metals, & Stylus models
- Barrel Colors: Black, Orange, Olive, Earth
- Ink Colours: Blue, Black, Red
- Refills fit all

Need a pencil? The new 1.3mm clicker pencil is tough enough for all your outdoor pursuits. Knurled grip, integrated eraser, & solid mechanics.

- Barrel Colors: Yellow, Black, Orange, Olive, Earth
- Graphite & eraser refills are available

Covers and Pouches are available to fit any notebook, in various colors sizes and styles.

The new Clamp Desk goes beyond typical folios or clipboards to keep your work safe, dry, and organized.
